Victoria Livestock Show Auction
(Details TBA)

Dear Exhibitors, Parents, and Supporters of Victoria Livestock Show:

We know that life throws challenges at us throughout our lives in everything that we do. What matters most, is how you respond and react to each situation, and how you choose to overcome it.

The Victoria Livestock Show is happy to say we are not canceling the entire show, but we will have to adapt to the changes to ensure everyone is kept safe and in current COVID-19 guidelines. That being said, the 2021 show will look very different.

This schedule was developed with current COVID-19 guidelines. The events listed on the schedule are all that will be offered this year with social distancing and safety precautions in place and taken into consideration.

The focus is on the youth and getting their projects exhibited.

PLEASE KEEP IN MIND THAT THE SCHEDULE MUST FIT CURRENT COVID-19 GUIDELINES FROM CITY OFFICIALS, AS WELL AS VICTORIA COMMUNITY CENTER FACILITIES, AND MAY HAVE TO BE ALTERED.
